BMV Announces myBMV.com Discount Day at Indiana State Fair

INDIANAPOLIS—Kent Abernathy, Commissioner of the Indiana Bureau of Motor Vehicles (BMV), is reminding everyone that myBMV.com Discount Day is Thursday, August 11 at the Indiana State Fair. Visitors can receive half-priced admission at the gate on myBMV.com Discount Day by printing the coupon available at myBMV.com.

“Visiting the Indiana State Fair is such a family tradition for many Hoosiers and it’s even more fun when you can do it for half-price,” said Abernathy. “We’re happy to offer discount admission to fairgoers across the state on August 11.”

“Visitors can go to myBMV.com and print the coupon from our home page to receive a \$6 discount at the gate,” he added. “While at the fair, stop by our booth in the Expo Hall where you can conduct many BMV transactions, try our motorcycle and driving simulators and don’t forget to vote for the design of our new state license plate.”

The myBMV.com booth allows customers to renew their registration, update driver’s licenses and conduct many other BMV transactions while at the fair. Additionally, laptops are available for customers to sign up for a myBMV.com account or to complete transactions online. BMV team members will also be on hand to assist with any questions.

Please view the special myBMV.com Discount Day video message from Commissioner Abernathy on our home page at myBMV.com.
